What to expect inside

We aim to create a **calm, sensory-aware** space:

Feature	What You'll Notice
Lighting	Warm and natural dimmable lights; no harsh or flickering lights
Noise Levels	Quiet environment with minimal loud or sudden sounds due to acoustic ceiling tiles. Occasional unexpected noise from other centre visitors may occur.
Smells	Low-fragrance, non-scented environment. Toilets have floral fragrances.
Toilets	Accessible toilets nearby.
Waiting Spaces	Low-sensory environment and quiet seating areas available
Seating	A mix of soft, firm, and armless seating
Assistance Animals	Welcome throughout the site

Support options available

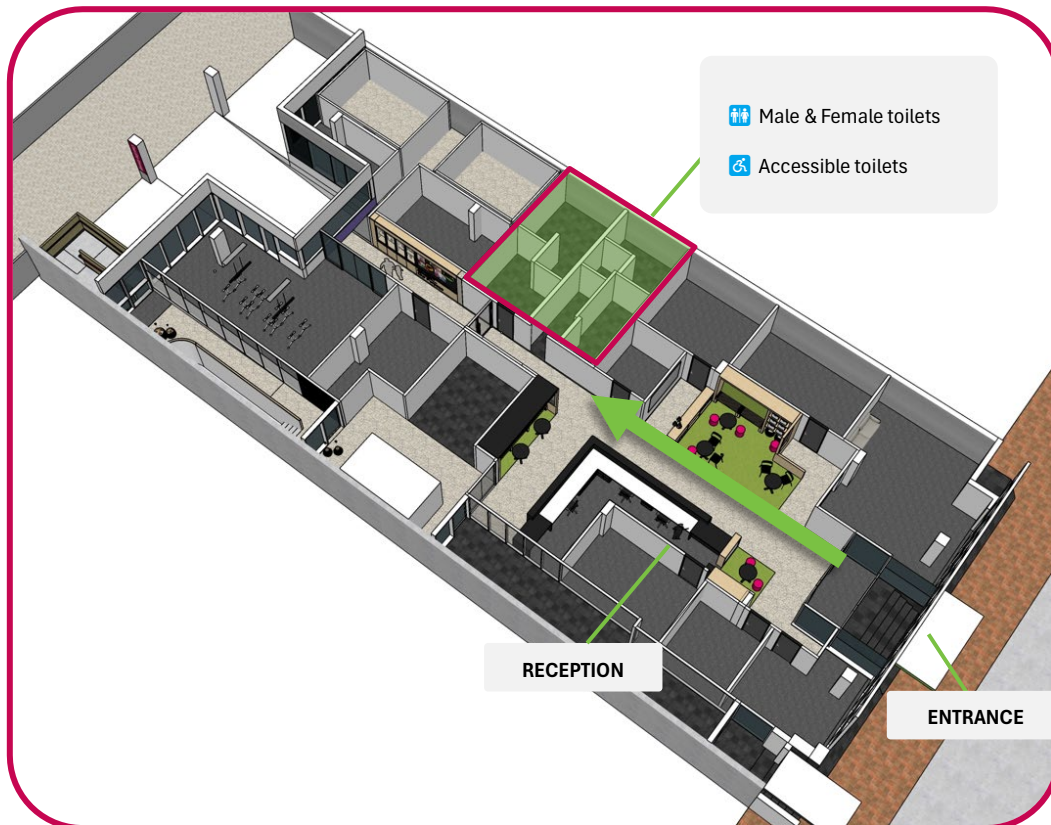

We can provide extra support based on your preferences:

- ☐ Sensory-friendly waiting area
- ☐ Staff trained in deaf awareness
- ☐ Visual flashing alerts for emergency evacuations for deaf community

Toilets

Toilets are located past reception on the right-hand side of the corridor. Signage is on each toilet door.

Parent/carer facilities

As a paediatric NDIS service provider, we understand the importance of creating a welcoming and accessible environment for families. Our facility includes two accessible toilets equipped with a change table and essential amenities to support carers of children who may require these facilities. These spaces offer a private, quiet area for changing and attending to your child's needs. They are designed to be pram-friendly and accessible for individuals using mobility aids, ensuring comfort and dignity for all families.
