

Can:Do 4Kids

Digital Gaming

**School Holiday Sessions or
After School Program**

These sessions are designed to provide social experiences for children and young people, whilst engaging in fun and interactive activities. Run by experienced therapists, participants will have a chance to try different activities without committing to a longer block of therapy. New and existing clients welcome, come and try our state-of-the-art therapy centre.

It's a can do future

Age group
8+ years old

Location

Goals of the group:

- Enable more engagement for clients who have a diagnosis of ASD or are deaf or hard of hearing
- Provide an age-appropriate and engaging environment that encourages clients to develop their social, co-operative and communication skills
- Development of fine and gross motor skills through activities i.e. finger dexterity, spatial awareness, visual motor integration, sequencing and tactile skills
- Development of cognitive skills i.e. attention and concentration, concept formation and problem-solving
- Development of social and emotional skills i.e. working with others, team-building skills, time-management and coping skills
- Development of language skills i.e. planning, editing narratives and communication

About Digital Gaming

This program is designed to provide activities where language is not a barrier, to enable more engagement for clients who have a diagnosis of ASD or are deaf or hard of hearing, provide social opportunities for children and young people, and provide an age-appropriate and engaging environment that encourages clients to develop their social, co-operative and communication skills

What to bring

Please bring a drink bottle, and a snack if you think your child will get hungry.

Parents/caregivers

Parents/caregivers are required to sign their child in at the start of the session. Participants attend the sessions independently from their parents/caregivers, unless 1:1 support is required. Parents are encouraged to use our kitchen and lounge facilities if they wish to stay close by.

Price

\$131* - Per session - This program can be funded through your NDIS plan or as a fee for service charge.

Staff

This program is facilitated by a Youth Worker, Occupational Therapist, and/or Speech Pathologist.
